Welcome to the 42nd annual Lopez, Meyer & Lauing  
 QH Production Sale. We have a fancy set of weanlings,  
 yearlings and very nice riding horses offered in the sale,  
 with proven performance bloodlines. Denny & Doris  
 Lauing, Bob & Karen Meyer and Glen & Janet Long are  
 enrolled in the Ranching Heritage Breeders program so  
 those horses would all be eligible to show in those  
 classes if the buyer wishes to nominate them. In the sale  
 offering there will be prospects for barrel racing  
 futurities, roping, ranch horses, or just nice riding horses.

The riding horses will be shown at the Faith Rodeo  
 grounds (three blocks east of the sale barn) starting at  
 11:30 am on sale day. The sale barn has a policy that  
 only the owners will be allowed to ride the horses on  
 sale day, so if anyone wants to try them out prior to the  
 sale, please make arrangements with the sellers to do so  
 before the sale, or if anyone has any questions about a  
 particular horse—give the owner a call, phone numbers  
 are listed under each lot or on the inside front cover.

We appreciate everyone who attends the sale or stops  
 by our ranches, if there is anything we can do to help on  
 sale day, or answer any questions do not hesitate to ask.

Our success is measured by the people who attend our  
 sale and buy our horses. We are grateful and thank you  
 for your interest, attendance, and ongoing support!

**BID ONLINE**

New for this year--viewing the sale and online  
 bidding will be available through Cattle USA. Online

**BOB AND KAREN MEYER**

**Bob and Karen Meyer**  
 Glad Valley, SD • 605-466-2456  
 MeyerQuarterHorses@gmail.com

Bob & Karen Meyer have been raising using horses since 1973  
 when we took in a band of mares and a stallion belonging to a  
 friend, Lee Lopez, and partnered on the foals the next year. Good  
 horses were important to us, we used them on our ranch, and  
 we enjoyed riding and working with them. The horse breeding  
 business has changed a lot in the past 40+ years, but we still  
 appreciate nice horses and all the friends we've met along the way.  
 It is especially rewarding when our horses get in the hands of good  
 cowboys and cowgirls, and they go on and compete. John Hoven  
 has bought many of our top colts over the years, he competes in  
 Senior Men's Breakaway and his horse "Frosty" (Drop Of Frost x  
 Fixers Orphan Berry) was the 2016 SDRA Senior Mens Breakaway  
 Horse of the year. Frosty joins other horses winning year end  
 titles including "Echo" ridden by Krystal Marone Dorsey who was  
 the 2008 SDRA Goat Tying Horse of the year and "Will" owned  
 by Rod Paschke who was the hazing horse part of a team that  
 was named Steer Wrestling team of the year in 2010 in the PRCA  
 Montana Circuit.

John Hoven & "Frosty"

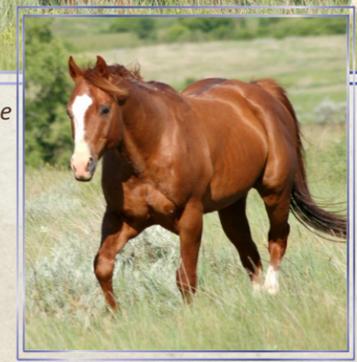

All Meyer weanlings are eligible for nomination to the AQHA  
 Ranching Heritage Breeders Program. Weanlings must be  
 nominated before December 31 to make them eligible for  
 this program

Phone: 605-347-6193 • Email: ddranch@venturecomm.net

With agricultural roots embedded deep within South Dakota, Denny & Doris Lauing, owners of the Lauing Mill Iron L Ranch, are carrying on the legacy. Our philosophy is that every animal raised is given a job. We put a lot of time & effort into training our horses making sure the horse learns the fundamentals & many aspects of the performance industry. No matter what is asked of our horses, whether it be roping, cutting or barrel racing...they have the brains to do it all. We think our broodmare band compliments our stallions creating a well built program. Our goal is to produce all-around prospects that are athletic, correct confirmation, nice dispositions and excellent bloodlines that will provide you with the best opportunity to be successful on the ranch or in the arena.

We are enjoying watching horses we have raised competing and hearing all the reviews from our satisfied customers. Colonel Frenchmans' offspring are being shown in the futurities and excelling. We are especially proud of our Grandson Kaden who has broke and trained one of them. He is also competing in the Junior High, Little Britches and 4-H rodeos on the local, state and national levels on 2 other horses that were born and raised on our ranch.

In 2011, Lauing Mill Iron L Ranch was recognized by the American Quarter Horse Association as a 'Ranching Heritage Breeder' representing the longevity, honesty and integrity of raising quality American Quarter Horses while upholding the ranching heritage. Any of our offspring born to our mares are eligible to compete in the Ranching Heritage Challenges.

Denny & I have made our live what they are today by working together. With the joining of two families, we have managed to give 5 beautiful children the opportunity to learn & compete with these wonderful creatures; Keith Pazour & wife Erin, Scott Pazour & wife Sarah, Dan Pazour & wife Tessa, Kaylie & husband Aaron Sterud and Shean Lauing. As our family grows, we now have the pleasure to do the same for our 8 Grandchildren. We believe our strong family values & faith has allowed to grow into what we are today.

All Lauing weanlings are eligible for nomination to the AQHA Ranching Heritage Breeders Program. Weanlings must be nominated before December 31 to make them eligible for this program

Dare to Be French is correct, very athletic and has a terrific disposition in which our breeding program demands of their stallions. Purchased from the Frenchman's Quarter Horse Program as a two year old, 'Bo' is triple bred back to the Loiseau's cornerstone mare, Caseys Ladylove. His sire, Frenchmans Falcon, a son of the immortal Frenchmans Guy, is producing rodeo horses under the direction of Butch and Mary Knowles of Heppner Oregon. His sire goes back to a leading SD Race Horse, Frenchmans Bo Jet. 'Bo' has been in training with Cami Bauer and is showing in the Barrel Racing Futurities placing in the 1D and 2D. ## Paddys Best Whiskey

This sleek stallion has a knock-out pedigree: an own son of the great Paddys Irish Whiskey, a leading sire for all walks of the reining and cowhorse world. He is a grandson of the leading broodmare sire and Quarter Horses' only Triple Crown winner, Special Effort. His Dam, Best Performance has sired such greats as Goodnight Two Moons who won \$100,000 for Speed Williams and his partner Marty Beck in the 2011 Wildfire Open to the World. Chris Cox won the 2011 Road to the Horse Championship aboard Perfect Performance (Sixes Pick) her 2008 gelding. 'Whiskey's' pedigree has accumulations of millions of dollars in earnings including Peppy San Badger, Doc Bar, Poco Tivio, Lightning Bar, Special Effort, Raise your Glass, Mr San Peppy and Tanquary Gin. 'Whiskey' has been very trainable and shows great athleticism and incredible speed. He became added as our Jr. Stallion this year and we are very excited to see his colt crop in 2018 which we will offer at the Production Sale next September.
