Pounds *for* **PERFORMANCE BULL SALE** **Profit**

Dear Friends and Fellow Cattlemen,

On behalf of myself, and Vince and Suzanne, it is my pleasure to invite you to our **20th POUNDS FOR PROFIT** bull sale, in Faith.

Our industry has come through a tough year for weather and the decline in prices from the record highs we saw two years ago. It is encouraging to see the trend turning back positive even while the supply of cattle continues to climb. I think that tells us something clear: People Want Beef!

The bulls we are bringing this year are the kind to get more pounds to the market for you. As you look through the catalog and see moderate birth weights (**BW**) along with some very impressive adjusted weaning weights (**AWW**) and explosive weight per day of age (**WDA**) numbers, you will see these bulls are a sound investment for your ranch.

It's been a pleasure in recent years as we see you not only get better return on your Charolais cross calves per head, but now to see it trending that direction on a per pound basis as well. The most progressive cattle feeders are on the hunt for those "Smokey" calves.

To our existing customers, I hope to see you again this year to see what you think of our bulls. For potential buyers, I encourage you to take time to look through these bulls and come to Faith for the sale. I believe it will be worth the time.

Sincerely,

Jay V. Watje
