PERFORMANCE BULL SALE

12 Noon • Faith Livestock • Faith, SD

Dear Friends and Fellow Cattlemen,

On behalf of myself, and Vince and Suzanne, it is my pleasure to invite you to our **26th POUNDS FOR PROFIT** bull sale, in Faith.

We are excited to offer this set of bulls to you this year. They bring together some of the most dominant Charolais bloodlines from both the USA and Canada. These powerful sires crossed with 50 years of picking our best females has produced very high quality bulls that are going to do the job you need them to do. They are 100% polled and primed to bring success to you, the best Ranchers in the business.

Some of the bulls this year are 2 year olds (lots 1-4). However, they are still all virgin bulls and have never been turned out for breeding. With the drought situation last year, we thought it made sense to hold a few back.

As I write this letter we are experiencing cattle supply shortages and the highest market prices in history. These are going to be an exciting few years to sell pounds and these bulls will help you sell as many as possible.

So please come to Faith and look over these bulls. I know they will fit your needs.

Sincerely,

Jay V. Watje
