PERFORMANCE BULL SALE

MAY 6, 2024

12 Noon • Faith Livestock • Faith, SD

Dear Friends and Fellow Cattlemen,

On behalf of myself, and Vince and Suzanne, it is my pleasure to invite you to our **27th POUNDS FOR PROFIT** bull sale, in Faith.

We are excited to offer this year's set of bulls to you. They bring together some of the most dominant Charolais bloodlines in the USA. These powerful sires crossed with over 50 years of picking our best females has produced very high-quality bulls that are going to do the job you need them to do. They are primed and ready to bring success to you, the best Ranchers in the business.

Some of the bulls this year are long yearlings born in the fall of 2022 (lots 1-4). However, they are still all virgin bulls and have never been turned out for breeding.

All the bulls will be fertility tested and guaranteed as breeders for the first year.

We continue to experience the smallest supply of cattle and the highest market prices our industry has ever known. Demand has remained steady which shows how much people love good quality Beef. These are going to be exciting years to sell pounds and these bulls will help you sell as many as possible.

We plan to have a link to videos on the Faith Livestock website in the weeks prior to the sale. I encourage you to check them out, or better yet, come to Faith and look over these bulls in person. I know they will meet your needs.

Sincerely,

Jay V. Watje
